MEMO ENDORSED

Re: Green v. United States, 08 Civ. 3154 (CM) (DFE)

Dear Judge McMahon:

I am the Assistant United States Attorney assigned to the above-titled matter. The deadline for the Government's response to the complaint presently is June 3, 2008. The Government respectfully requests a thirty-day extension of this deadline to July 3, 2008. This extension is necessary to permit the Government time to gather the information necessary to respond to the complaint. This is the Government's first request for such an extension in this matter. Mitchell Lapidus, Esq., counsel for plaintiff, consents to this request.

Thank you for your consideration.

Respectfully,

MICHAEL J. GARCIA
United States Attorney
